

Executive Management Board

Dr Peter Hackel

Swiss National

CFO (Chief Financial Officer)

Member of the Executive Management since 2026

Key Attributes:

Peter Hackel, born in 1969, brings extensive leadership experience in operations, finance, strategy and business management. As Group CFO, he has worked in both publicly listed companies and the private equity sector. His nearly two decades of management expertise spans diverse industries and international markets. This global experience and his extensive network form essential foundations for his role as CFO of the Medartis Group.

He is also a member of the Board of Directors at Georg Fischer, which underscores his expertise in governance, strategy and finance.

Professional Background:

He possesses a valuable combination of financial and business acumen across various industries. His career encompasses leadership positions in multinational companies—from the technology sector at Syntegon Technology and OC Oerlikon to medical technology at Straumann Group and Geistlich Pharma. Since 2014, he served as Group CFO and member of the Executive team at Straumann Holding AG, where he played a significant role in shaping the company's positive development. Prior to joining Medartis, he served as CFO at Syntegon Technology.

Education:

Peter Hackel holds a doctorate in biochemistry and molecular biology from ETH Zurich. After working as a strategy consultant at McKinsey, he moved into operational management positions in industry. In 2025, he also completed an executive education programme at Harvard Business School.
